TERMS AND CONDITIONS FOR EXHIBITORS:

1. Application: By submitting the application incl. signature the exhibitor undertakes to accept these terms and conditions. The present application shall become binding on the exhibitor to participate in the trade show. Applications under reserve, deletions, additions and changes by the exhibitor are invalid! The terms and conditions also apply to additional services and orders, e.g. advertisements, commercials in the catalog/ magazine, set-up and dismantling of the stand, rental of stand construction materials, power connection, water and other utilities. Deadline for registration: 1 month before the fair begins. **2. Rental conditions** for stands differ with each fair. Each started ½ sqm will be charged as 1 sqm. Prices are quoted on the front of this application form. The price per sqm for outdoor presentations is 50% of the indoor price. For two-storey stands additional 50 % of the comprehensive tariff will be charged. An obligatory registration fee (see front) will be charged per exhibitor. For each co-exhibitor on the booked exhibition space the co-exhibitor fee is obligatory! As a co-exhibitor apply all companies which are not involved in percentage terms of the exhibiting company. **2.1** Should the consumer price index increase by more than 6% between the announcement of the trade fair (status of the General Terms and Conditions on page 3, bottom right - last line) and the actual date of the trade fair, the organizer has the right to automatically adjust a corresponding equivalent price increase, whereby the adjusted prices are thus automatically considered as agreed. Example: In case of a 6% increase of the consumer price index, all tariffs will increase by 6%! The exhibitor has the right to withdraw from the contract within 7 days after the written announcement of the general price increase without cancellation fees. **2.1.1** If there is an index adjustment or increase of the energy price index only in individual areas by more than 6%, such as electricity consumption, stand construction materials or exhibition carpets, the tariffs will only be increased accordingly in the affected areas. In this case, the exhibitor has the right to cancel the products or services related to the price increase within 7 days after the written notification of the price increase of individual products or services, without cancellation fees. The entire contract (registration for the exhibition) itself remains unchanged in the remaining full scope. (Point 2.1 and point 2.1.1 have arisen due to the current difficult times of crisis and the therefore partly unpredictable tariffs for organizers, where tariffs have to be announced many months or up to one year in advance). **3. Taxes, fees and charges:** All fees, charges and taxes, in particular VAT, tax and advertising charges, shall be borne by the exhibitor. All prices are net prices. **4. Terms and conditions of payment:** 6 weeks before the fair starts. Invoices from this date on have to be paid promptly. Late payment will be charged with a default interest of 12%. Condition precedent for handing over the stand to the exhibitor is timely payment. For short-term applications the exhibitor has to provide a proof of the executing bank, which is titled with "transfer done" or "paid". The exhibitor is not authorized to postpone an account, refuse payment or balance an account because of any counter claims. If it is known that supplementary debits (power, advertisement, cashed voucher,...) for past events are still outstanding or any other bad payment behaviour the organizer is authorized, to levy a charge of € 1000,- net additional with the stand account at least 6 weeks before the start date of the show. Final accounts will be balanced with the charge, still open accounts will be charged and any differences will be refunded. **5. Lien:** In case of open accounts against the exhibitor, the organizer has the legal and contractual lien on any of the exhibited goods, the stall and equipment of the exhibitor. It is not necessary to initiate a court procedure in order to exercise the lien. The organizers are authorized to execute the lien without prior notice and to sell the goods as customary in trade. Revenues are accumulated against the open account. **6. Cancellation conditions:** 50% up to 12 weeks before the start of the trade fair, 100% from 12 weeks before the start of the trade fair. The exhibitor acknowledges that the cancellation fee must also be paid if the organizer succeeds in renting or selling the exhibition stand to a third party. The cancellation fee is due according to the cancellation invoice. **7. The organizer reserves** the right to carry out the event up to 3 weeks before the start of the event in the absence of "force majeure". If the event is canceled by the organizer, all invoices already paid will be refunded to the exhibitor. **8. Cancellation of the event due to force majeure. 8.1 Definition of "force majeure"** for the binding terms and conditions at Messen CMW: Force majeure includes: strikes, political events, epidemics, pandemics such as: infectious diseases, natural phenomena, fire, delayed or missing official permits, legal changes, terrorism, restrictions in the energy supply, Official decrees, official ban on events, official orders or in the case of new official requirements, which were originally not known when the event was advertised and thus make the event economically worse or no longer allow the event concept to be implemented in an equivalent manner, by a decision of the organizer due to no longer in advance foreseeable conditions as well as possible expected official conditions which may affect, among other things, the number of visitors and / and a corresponding negative economic development for exhibitors, or if the Due to unforeseeable events, the site is not available at the time of the event, or for other important reasons that are beyond the control of the organizer and thus make it unreasonable or impossible to hold the event. **8.2 In case of force majeure (see 8.1)** from the Exhibitor's registration until 7 days before the event, the Organizer is entitled to cancel the event at any time. If necessary, the Organizer has the right to cancel all contracts related to the registered event without giving reasons. If the organizer can offer the exhibitors a substitute date for this event in the same city or vicinity of the venue within the next months, the contract (exhibitor's registration) remains valid in full. Invoices already paid will be automatically credited to the exhibitor for the new date. The exhibitor is not entitled to any compensation or right of withdrawal. Should it be impossible for the exhibitor to take up the alternative date for justified reasons, it is the sole responsibility of the organizer to assess this reason, whether this will result in the contract being cancelled without cancellation costs and the invoices paid by the exhibitor up to this point being credited to the exhibitor's account. Invoice for this event will be refunded to the exhibitor, or the registration and thus also invoices already paid will be postponed to the following year. The exhibitor is not entitled to any compensation. This does not entitle exhibitors to make any claims whatsoever. It is generally up to the

organizer and is not obligatory for the organizer in any way vis-à-vis the exhibitors whether the exhibitors will be refunded a share. In this context, should there be a refund, only the share over the remaining duration of the event will be taken into account for evaluation. The evaluation of a possible refund will be made exclusively by the organizer. **8.4 In the event of force majeure (see 8.1)**, the event contents described in the exhibitor information, e.g. advertising steps, supporting program, focal points, etc., may be changed by the organizer without prior notice due to current circumstances. The exhibitor is generally not entitled to any compensation. **9. Admission & allocation:** The organizer decides on the acceptability of the applicant. The organizer is entitled to refuse an application anytime without justification. Applications may be refused by the organizer if the exhibitor's products do not fit into the profile of the fair, or if it is known that fees for other events are still outstanding or that any kind of insolvency hearing is pending against the applicant.
